## Testimonials

I knew nothing about the German language when I started and I felt totally out of my depths because I don't do well with language. However, after 10 weeks of studying with Luz Language Centre, I gained a fundamental knowledge of German language and its complexity. Vielen Dank. Our lecturer is an anointed lehrer.

**(Maureen kereke, Student- Ghana)**

Luz Language Center is a truly conducive environment for better learning. From my experience with Luz Language Center, it met my expectations, patience for good evolution. My trainer in particular was really competent. I acquired new knowledge to speak English better. I did not regret training at Luz Language Center.
